There was a lot of crowding at the first turn, in which all those behind the leaders suffered. Little Lois ran a good race.

Amigari ran to the lead on the stretch turn and withstood a drive in good style, only succumbing in the final stride. She was unlucky in the race and had to go to the outside on the turn. If You Dare showed the most early speed, but tired in the stretch drive. Blueblaze was prominent in all break-aways and ran well to the stretch. Fleuron was cut off on the far turn. Went to post at 4:01. At post 5 minutes. Start good. Won driving; second the same. Grace was much the best. She had to race all around her field in the early stages of the race and the effort to get to the front caused her to tire in the run for home. She would have been third in a few more strides. Fred Graft saved ground by hugging the rail and finished stoutly. Sauce Boat swung wide on all the turns. Jim Winn was sore going to the post. Capitola tired badly in the run for home.

Overweights—Fred Graft, 5 pounds; Lucy, 2; A. Bride, 3.

Winner—B. h. by Top Gallant—Critic.

Went to post at 4:35. At post 5 minutes. Start good. Won driving; second the same. Robert Gray won because he was the best ridden. The horse wanted to stop in the last quarter, but Bolland nursed him along and made him last long enough to win. Gratia lost some ground on the last turn by swinging wide. Ducassa showed improvement. Oricius was interfered with on the turns.

Scratched—30124 The Brother, 114.

Winner—Br. g. by Black Dean—Arrowgrass.

Went to post at 5:11. At post 6 minutes. Start good. Won driving; second the same. Zanone was under restraint the first half mile, went to the front on the last turn but had to be driven to the limit at the end. Maria Bolton was repeatedly interfered with. With clear sailing she would in all probability have won. Welsh Girl ran a sparkling race. Had the distance been a little farther she would have won. Alzora showed a smart turn of early speed. Ventoro ran poorly.

*Ran as Snowberry.

Winner—B. f. by Mulberry—Snow Blossom.

Went to post at 2:17. At post 4 minutes. Start fair. Won driving; second handily. Anna B., lucky and skilfully handled, finished with a fine rush and is evidently a stayer. Larry Wilt was given a good start but was buffeted about like a shuttlecock on the backstretch. He was pinned in next to the rail at the end and was closing up strongly under a weak finish and was best. Marelio was probably short and failed to stay when pressed. King Herald suffered from considerable interference. Quiet showed speed but quit and was possibly short. Rubino showed a great burst of speed but quit in the last quarter being crowded and further discouraged. Claudator is improving and will do to watch over a distance.

Anna B., show, 4 to 5. Larry Wilt, show, 2 to 1. Marelio, show, evens. Quiet, show, 7 to 10.

Time, 24, 49, 1:15, 1:22.

Winner—B. f. by Bramble—Meriden.

Went to post at 2:46. At post 3 minutes. Start good. Won driving; second easily. Rubus gained a lucky start, stole a long winning lead on the far turn, stayed well and is an improving colt. Huachuca was best, but under a badly misjudged ride made a dilatory move and was going fastest at the end. Legal Maxim was crowded back on the first turn, but went well after that and will probably win soon. Cathello was badly handled and can do better. Ishtar looks like a delicate deer and is probably overdone. Bassenzo quit badly after showing a good burst of speed.

Overweights—Rubus, 2 pounds; Legal Maxim, 4.

Rubus, show, 1 to 2. Huachuca, show, out. Legal Maxim, show, 3 to 2.

Winner—Ch. c. by Star Ruby—La Toquera.

Went to post at 3:10. At post 1 minute. Start good. Won easily; second driving. Sombrero trailed to the stretch under a perfect ride. He closed up strongly and won going away. San Nicholas showed tremendous and unexpected speed and stamina, but was lucky to beat Josie G. The latter shied at the barrier in the last third yards and was partially pulled up. But for this mishap she would have pressed the winner at the end. Sly ran extra well for her at the distance.

Overweights—San Nicholas, 2 pounds.

Winner—B. c. by Candlemas—Sweet Home.

Went to post at 3:37. At post 6 minutes. Start fair. Won easily; second the same. Homestead was lucky at the start and O'Connor made no mistakes. The colt decisively demonstrated his good class by coming away in the last quarter with electrical speed from a field which appeared anchored as he passed. El Rio Shannon, off poorly, went wide on the turn and had clear sailing in the stretch, where he finished with a great rush. La Goleta, under a pull for the first six furlongs in spite of the ridiculously slow pace, was forced out of a good position on the far turn and bumped her way through next to the rail, but failed to stay after being clear. Andrisa ran in improved form, but is hardly herself. Bathos was a good horse badly ridden. The Pride went well at the weight. Edgardo and Rosormonde ran poorly.

Homestead, show, 1 to 2. El Rio Shannon, show, 2 to 1. La Goleta, show, 1 to 6.

Winner—B. m. by Morello—Lizzie Dunbar.

Went to post at 4:04. At post 1 minute. Start good. Won easily; second driving. Lizella was badly messed about in the first half but went into the lead on the stretch turn with a rare burst of speed and was easing up thereafter. She is a proved stayer and outclassed her field. Plöhn finished well and outstayed the tiring Dangerous Maid at the end. The latter set a terrific pace and but for the excessive use made of her would have been an easy second. She can certainly stay. Mission showed great improvement in beating Ulm and El Mido both of which were hopelessly outrun. The first three far outclassed the others which are very ordinary.

Overweights—Alicia, 3 pounds; Tammany Chief, 1.

Lizella, show, 1 to 3. Plöhn, show, 1 to 2. Dangerous Maid, show, evens.

Winner—Ch. m. by Apache—Jennie K.

Went to post at 4:25. At post 5 minutes. Start good. Won easily; second driving. Rose of Hilo broke running, sustained a brilliant rate of speed throughout and was a suddenly and markedly improved mare. Marshal Neil swerved in behind the winner at the end or he would have been closer up. He can do better. King Dellis went well throughout and finished strongly. Reina de Cuba was in against too much early speed and the same applies to Katie Walcott. Bedner is best in mud, but closed a big gap. Ulloa, off badly, went around the field and made up an immense lot of ground. Parsifal wants mud to show at his best and was outclassed. The fast pace made Lost Girl sulk.

Scratched—29288 Buck Taylor, 112.

Rose of Hilo, show, 2 to 1. Marshal Neil, show, out. King Dellis, show, evens.

Winner—Ch. c. by Donald A.—Missouri.

Went to post at 2:15. At post 1 minute. Start straggling. Won handily; second driving. Dr. Scharff beat the gate, but permitted John Peters to show the way on suzerainty to the stretch, where he was forced to bump his way through. He came through the stretch very strongly, ran in improved form and was probably best. The Weaver showed much speed and stamina and would have been closer up but for a wide stretch turn. He will probably beat this kind later on. Prestano is in fine form and was right there throughout. John Peters showed brilliant speed, but failed right at the end. Our Pride closed a gap and will do to watch. Sol Lichtenstein, off very badly, ran on the extreme outside, made up a lot of ground and finished easing up.

Scratched—29829 El Chihuahuahua, 112; 30087 San Lution, 109.

Overweights—The Weaver, 1 pound.

Dr. Scharff, show, 1 to 3. The Weaver, show, 3 to 2. Prestano, show, 2 to 1. Sol Lichtenstein, show, 1 to 2.

GOSSIP OF THE TURF.

Though no predictions can be made with any degree of accuracy until the weights have been announced, the opinion held from present indications

is that the Brooklyn Handicap will be a very open affair, with numerous public choices, including such horses of recognized merit as Blues, Gold Heels, Hernando, Alcedo, Brigadier, Toddy, Herbert, Kamara, The Rhymmer and Oom Paul. It is not generally believed that Endurance by Right is intended to be a starter, but has merely been entered by Mr. Whitney as a compliment to the Brooklyn Jockey Club. Whatever may happen between now and the day of the race, it is a safe bet that the field for the Brooklyn will excel that of last year and, in fact, will rate much higher than those seen in more recent years. The increased number of entries in the Brooklyn Jockey Club's other stakes is a convincing indication that there is to be another boom in racing this year which bids fair to eclipse the phenomenal popularity of the sport last season. —New York Sun.

Racing will be put upon a high plane at Nashville if the present purposes of the track owners are carried out. The sport at Nashville, like at many other places, has been overdone. Two years ago this property fell into the hands of a party of gentlemen who do not run a race track as a business. Being breeders, their purpose is to give short, high class meetings. Since coming into possession of Cumberland Park they have given two meetings of only seven days' duration each. This year nine days will be given, no more. Their program for this time calls for \$20,000. All stakes will be added money events, and the Derby will be run on the opening day, April 24.

Never in the history of the turf in Tennessee—and racing has been conducted in Nashville for sixty years—has there been so much local interest in turf matters. At present at Cumberland Park there are upward of 200 horses wintering, being prepared for the coming meeting. At Memphis there are even a greater number. No sickness prevails at either place. Out of the large number of horses on the grounds of Cumberland Park fully 75 per cent. are owned by local people. Many of their largest breeders have embarked in the business of development.

The practice of giving high weight races over a distance as well as in sprints is becoming more and more popular out on the coast. It gives all the jockeys who are increasing in weight a chance to ride.

The colony of New Yorkers at New Orleans is daily increasing. The closing of the poolrooms in the metropolis is said to be responsible for the exodus to the Southern track.
